

Dear Parents,

Here we are again, living this not normal! Please know I am here for all of you. I love your kiddos and appreciate all the effort you are putting in to keep their learning going. This is so difficult. I have a junior at home and he is pretty much over this type of learning. He complains that “you always say I have too much screen time and now they are forcing me to do all these hours on a screen!” Yep, it’s hard. I don’t always feel like I am doing what is necessary but I am doing it the best I can. I would rather be in my classroom with my students over being at home on a screen any day. Please give yourselves time to scream if that’s what you need.

We are in this together and I am here for all of you.
